

CELEBRATE THE SUCCESSES OF 2020!

2020 was a big year. While it brought major changes to business and personal lives, it is important to celebrate our team achievements. This year we hosted fewer coffee dates, but found other ways to connect and have fun while helping clients achieve goals.

Check out some highlights from Red Technologies over the past year:

59 websites on our dedicated Red Technologies Server

15,135 website visitors to our hosted sites in 2020

3,045 Facebook likes this year, as we upped our home themed **meme game**

1 monthly newsletter debuted this year, carefully curated to keep in touch with our clients and highlight our services

2,376 social media laughs shared with our friends

5 social media contests helped us get to know our online community

9 monthly email campaigns generated on behalf of our clients

5,048 hours spent by our team working hard for our valued clients on **website development, SEO, security and maintenance, social media, and marketing**

ZOOM: Our new favorite meeting style to connect with clients and with each other.

13 new clients in 2020

of our clients **gave back** to our community this year and we were **proud to promote their activism.**

\$600+ was donated by our team to support the **Buffalo Rotary Adopt a Family** program

12 Red Technologies teammates share their areas of expertise
